OBJECTIVE

Seeking work experience in the technological sector to develop programming skills and apply critical thinking and problem solving skills to a professional environment.

EXPERIENCE

Vice Chairperson | Mississauga Youth Action Committee

MAY 2017 – MAY 2018

Led a team of over 70 people in organizing 9 monthly general meetings with an average of 120 people in attendance from over 30 secondary schools across Mississauga and Brampton.

Organized an opportunities-fair which showcased 23 student-run organizations which gave high school students more opportunities to be involved in their community.

Led a finance team of over 30 students in securing over \$2000 from various community grants and sponsorships and a grant from Panago-Pizza for pizza to be provided at all general meetings.

Head of Community Relations | Glenforest Student Activity Council

SEPTEMBER 2016 – JUNE 2017

Managed large school-wide events such as the Semi-Formal which had over 85% of the student body in attendance.

Put over 300 students in contact with volunteer coordinators, giving them 20 out of 40 required hours for graduation.

Led a team of homeroom class representatives in raising awareness about school events and games. Increased the number of people at home basketball games from 30 to an average of 170 students at each game.

Referee | Mississauga Tomahawks Lacrosse Association

JUNE 2014 – AUGUST 2015

Communicated effectively with players, coaches, and parents ensuring fair play and positive relations between all parties.

Increased special awareness, positional skills and collaborative capabilities of over 200 lacrosse players from the ages of 4-12.

Certified Ontario Lacrosse Association Level 1 Box and Field Referee.

Project Assistant | Amer Projection Mounts

MAY 2018 – AUGUST 2018

Led a team of 5 other students to assemble and ship packaging for various hardware.

Created a positive and safe space for workers.

EDUCATION

International Baccalaureate Diploma Programme | Glenforest Secondary School

SEPTEMBER 2014 – JUNE 2018

International Baccalaureate is a rigorous, international program that requires students to engage in community service, individual research, and an inquiry into the nature of knowledge.

Principal's Honor Roll: 2014 - 2018

Pursuing an Honors of Computer Science Degree with Co-op | University of Waterloo

2018 - 2023
